

MD MIRZA GALIB PALASH

Full Stack Developer

Dhaka, Mohammadpur | 01577088342 | mirza.galib.palash@gmail.com | mirzagalib.xyz
LinkedIn: www.linkedin.com/in/md-mirza-galib-palash | GitHub: github.com/GalibDev

PROFESSIONAL SUMMARY

Motivated full stack developer focused on building responsive, scalable, and user-friendly web applications. Experienced with React, Next.js, JavaScript, TypeScript, Tailwind CSS, Supabase, MongoDB, and Node.js through real portfolio, e-commerce, and client-style projects. Comfortable turning ideas into clean interfaces, practical features, and deployable products.

TECHNICAL SKILLS

Frontend	React.js, Next.js, JavaScript, TypeScript, Tailwind CSS, HTML5, CSS3
Backend	Node.js, Express.js, REST APIs, Supabase
Database	MongoDB, PostgreSQL/Supabase
Tools	Git, GitHub, Vercel, VS Code, responsive design, deployment

PROJECTS

Jersey Shop E-commerce Website | Next.js, Tailwind CSS, Supabase | Live: nivalo.xyz

- Built a responsive jersey e-commerce experience with product presentation, modern UI sections, and a clean shopping flow.
- Focused on mobile-first layout, attractive product cards, and production deployment.

IdeaVault - Idea Management Web App | React/Next.js, Node.js, MongoDB | Live: idea-vault-client-sigma.vercel.app

- Developed a secure idea management platform where users can save, organize, and manage project ideas.
- Client: github.com/GalibDev/idea-vault-client | Server: github.com/GalibDev/idea-vault-server

Gatrix Robotics Website | Modern responsive website | Live: gatrix.xyz

- Created a polished robotics/business website with clear content sections, responsive layout, and deployment-ready UI.

EXPERIENCE

Freelance / Local Client Web Projects | Full Stack / Frontend Developer | 2024-Present

- Designed and delivered 2-3 small websites for local clients, including responsive layouts and deployment support.
- Worked directly with clients to understand requirements, refine UI, and publish finished websites.

EDUCATION

BSc in CSE | Shyamoli Engineering College, Affiliated with University of Dhaka | 2024-Present

HSC - Science | Rangpur Model College, Rangpur | 2023-2024 | GPA 5.00

SSC - Science | Shishu Niketon High School | 2021-2022 | GPA 5.00

ADDITIONAL

Languages: Bangla, English | Interests: full stack development, SaaS products, e-commerce, and robotics websites.
